NORDIC Cold

Astana LXQ, a CO2 cabinet, doors with hydraulic closing system and 5 ° tilt. Fits together with Hamburg.

Information related to energy class (Ecodesign Regulation 2019/2024 and Energy Labelling Regulation 2019/2018) refers to specific product configurations. All configurations other than that presented in the website could require significantly different energy class information. For further details, either consult the European Product Database for Energy Labelling (EPREL) or contact our sales office.
